

Parents Helping Parents

An interactive Information Session for parents and carers about help for children with a disability in South Australia and their families.

We'll share what we wish someone told us years ago!
Come along to learn about:

- Free occupational therapy and counselling
- Free movie, sports, concerts, theme park, zoo, bus, tram and train tickets with your child
- An extra \$100/fortnight from Centrelink (and it doesn't matter what you earn!)
- Why Carer Payment might be better for you than a Single Parent Payment or Newstart
- Half-price taxi vouchers and free/cheap parking
- Free emergency respite/babysitting
- Funding for special equipment or a special activity for your child with a disability
- Half price flights in Australia
- NDIS/DisabilityCare - how and when it all works
- Special siblings stuff
